Not for M3 vehicles with Dual Clutch Transmissions. If the vehicle has option code S248 the heated steering function will no longer be active after installation. Airbag unit and multifunction buttons can be carried over from sport or M sport steering wheels but cannot be carried over from basic standard steering wheel. The infrared transmitter/receiver is optional and can be used with the electronic steering wheel to automatically and accurately record lap times. This transmitter/receiver is not approved for street use. Any damage to the vehicle resulting from use in a competitive event may void all or portions of the vehicle’s BMW Limited Warranty.
EXTENDED WARRANTY WITHOUT EXTENDED EXPENSE

All original BMW accessories come with a warranty of up to 4 years/50,000 miles*
- Safety-tested and approved by BMW engineers
- BMW design and quality

*Original BMW accessories that are installed on/in the vehicle will carry the full New Vehicle Limited Warranty if they were installed prior to the delivery to the client. If the installation is made after the retail sale of the vehicle, the accessory will be warranted for the balance of the New Vehicle Limited Warranty period, or two years from its date of installation, whichever is greater.

Each price is the suggested retail price and is subject to change. Unless otherwise stated, price excludes installation and taxes. Installed prices are based on an estimated installation time and the center’s labor rate, and are subject to change. Due to the number of variables that ultimately determine freight costs, FREIGHT CHARGES ARE ESTIMATED until an order is shipped and actual freight charges are calculated. Check with your authorized BMW center for complete accuracy of information and product availability.
