BMW CHARGE AND SYNC CABLE

\$22 - \$39

This cable is a convenient accessory for keeping a device powered up no matter where your travels take you. The charge and sync cable can be utilized in vehicle or in home. To use in vehicle, simply connect the vehicle USB port. If the vehicle is not equipped with a USB port, our single or dual USB charger would be an excellent additional accessory. Not only is this cable pleasing to the eye, it is constructed from the best possible materials. Cable ends are made of metal and utilize high grade electrical connectors. The cable portion utilizes braided wiring and reinforced junctions. All of these attributes make up a very attractive yet functional charge/sync cable. Available for both miniUSB and Apple (30 pin) connectors.

- * Safety - tested and approved by BMW engineers
- * BMW design and quality

*Original BMW accessories that are installed on/in the vehicle will carry the full New Vehicle Limited Warranty if they were installed prior to the delivery to the client. If the installation is made after the retail sale of the vehicle, the accessory will be warranted for the balance of the New Vehicle Limited Warranty period, or two years from its date of installation, whichever is greater.

Each price is the suggested retail price and is subject to change. Unless otherwise stated, price excludes installation and taxes. Installed prices are based on an estimated installation time and the center's labor rate, and are subject to change. Due to the number of variables that ultimately determine freight costs, FREIGHT CHARGES ARE ESTIMATED until an order is shipped and actual freight charges are calculated.
