

The Ultimate Driving Machine®

POLISHED BMW LASER SLIMLINE KIT, WITH ROUNDEL VALVE STEM CAPS

This stylish and attractive license plate frame and valve stem caps set is the perfect addition to your BMW. The polished slimline plate frame is made from 304 stainless steel. The BMW roundel valve stem caps are made from inert lightweight ABS, featuring high-detail graphics under a protective doming and an internal O-ring type seal, they will help ensure the proper functioning of your valve stems without interfering with TPMS signals. Sold in sets of 4.

EXTENDED WARRANTY WITHOUT EXTENDED EXPENSE

All original BMW accessories come with a warranty of up to 4 years/50,000 miles*

- Safety-tested and approved by BMW engineers
- BMW design and quality

*Original BMW accessories that are installed on/in the vehicle will carry the full New Vehicle Limited Warranty if they were installed prior to the delivery to the client. If the installation is made after the retail sale of the vehicle, the accessory will be warranted for the balance of the New Vehicle Limited Warranty period, or two years from its date of installation, whichever is greater.

Each price is the suggested retail price and is subject to change. Unless otherwise stated, price excludes installation and taxes. Installed prices are based on an estimated installation time and the center's labor rate, and are subject to change. Due to the number of variables that ultimately determine freight costs, FREIGHT CHARGES ARE ESTIMATED until an order is shipped and actual freight charges are calculated. Check with your authorized BMW center for complete accuracy of information and product availability.
