BMW WALLBOX ESSENTIAL

The BMW Wallbox Essential is a home charging station for BMW Battery Electric Vehicles (BEV) and Plug-in Hybrid Electric Vehicles (PHEV). The Wallbox has been developed using ergonomic, high quality design and is accentuated by carefully selected green materials. The housing contains recycled materials and is made of durable plastic. The high quality multi-coating paintwork on the external parts will satisfy even the most discerning customers. It provides long term protection for the Wallbox and creates a harmonious appearance with the car.

EXTENDED WARRANTY WITHOUT EXTENDED EXPENSE

All original BMW accessories come with a warranty of up to 4 years/50,000 miles*

- Safety-tested and approved by BMW engineers
- BMW design and quality

*Original BMW accessories that are installed on/in the vehicle will carry the full New Vehicle Limited Warranty if they were installed prior to the delivery to the client. If the installation is made after the retail sale of the vehicle, the accessory will be warranted for the balance of the New Vehicle Limited Warranty period, or two years from its date of installation, whichever is greater.

Each price is the suggested retail price and is subject to change. Unless otherwise stated, price excludes installation and taxes. Installed prices are based on an estimated installation time and the center's labor rate, and are subject to change. Due to the number of variables that ultimately determine freight costs, FREIGHT CHARGES ARE ESTIMATED until an order is shipped and actual freight charges are calculated. Check with your authorized BMW center for complete accuracy of information and product availability.
